Dear Internship Coordinator,
I am a first-year B.Tech student at VIT Bhopal University. I am writing to express my strong interest in a summer internship opportunity at your company.
I am currently developing my digital literacy skills, including version control with GitHub and professional online branding. I am eager to apply these skills in a professional environment and contribute to your team. Please find my digital portfolio link below for your reference.
Thank you for your time and consideration.
Sincerely,
Ajinkya

Dear Professor ,
I am writing to respectfully request an extension for the Digital Literacy Project assignment. Due to some unforeseen technical difficulties with my laptop's synchronization, I require a little more time to ensure my GitHub repository is properly formatted and complete.
I would appreciate it if I could submit the final repository link by [Insert Date]. Thank you for your time and for considering my request.
Best regards,
Ajinkya
